

Famous Artist To Be At Goodwyn This Week In Lectures

Members of the Memphis Art association and all local lovers of art and beautiful pictures, are particularly interested in the coming to Goodwyn institute this week of Mr. Henry Warren Poor, artist and lecturer, of Boston, Mass. Mr. Poor's visit being one of the outstanding features of this season's contributions to the promotion of better art in our city.

Mr. Poor is an artist of recognized ability, his pictures having received prizes in numerous art exhibitions. He excels particularly in his unusual skill in accurately coloring the stereoscopic slides which he illustrates his lectures. As a lecturer on art, Mr. Poor is regarded as one of the most authoritative and best.

Mr. Poor will give three lectures at Goodwyn institute, as follows: Thursday night, Oct. 28, "Napoleon from Corsica to St. Helena." Friday night, Oct. 29, "Marvels of Photography in the World War." Saturday night, Oct. 30, "Famous Paintings of the World."

Each of these lectures will be illustrated with a large number of beautiful and accurately colored stereoscopic pictures, all of these slides having been colored by Mr. Poor himself.

These lectures being given under the auspices of Goodwyn institute, are free to the public.

WOMEN LEARN VOTING AT MOCK ELECTIONS

Arkansas Town Holds Interesting Training Event.

HARRISON, Ark., Oct. 25.—Women of Boone county, of which Harrison is the county seat, do not intend to go to the polls on Nov. 2, scratch a ticket and learn after leaving that they voted for the candidate they wanted to defeat. At the instigation of the Women Voters' league of Boone county a "mock" election was held and practical instruction in the way to vote was given the newly enfranchised women of the district.

At the "election" the women were urged not to depend upon their husbands, sons or brothers when they go to the polls, but to give careful attention to the instructions available before election day so that they might lose their vote or give it to the wrong candidate. Boys and girls between the ages of 14 and 21 years also were allowed to participate in the demonstration, it being the aim of the women's league to prepare the younger generation for judicious voting.

POET DENIES PLOTTING.

ROME, Oct. 25.—Reports here that Capt. Gabriele d'Annunzio was involved in a plot intended to overturn the present Italian government, have been denied by Capt. d'Annunzio, according to dispatches from Fiume. He has issued an informal statement vigorously protesting against rumors that he is intending to participate in a "coup d'etat" and adds he has never been "addicted to plots."

Moving Pictures

Loew's Lyceum.

Success of the Lyceum under a change of policy that makes this popular playhouse a home of the movies seems assured if Sunday's opening can be taken as a criterion. Crowds equal in size to those which flocked there during "pop" days were on hand. One hardly recognizes the Lyceum with its new interior scheme. Decorations have been changed in three weeks. A thing of beauty is the pergola occupied by the orchestra. Located on the stage to the left of the screen it enhances the artistic effect of the theater as well as affording advantage to the presentation of orchestral numbers. Ike Kahn has assembled musicians in keeping.

The big feature for the week is billed as "Madame X," with Pauline Frederick. However, local interest centers in the screening of film taken here on the occasion of the State opening. Admirably clear are some of the Main street scenes, those at the courthouse, where the mayor welcomed the Loew party and at Central high school, where students took charge of the stars. Pauline Frederick makes an excellent lead in "Madame X," which story never will lose its appeal. Griping is hardly sufficient in describing this film.

Buster Keaton, Metro star, is the comic in "One Week," added attraction. This house, so it is understood, will continue a picture policy, until the opening of the Palace on Union. Cancellation of all left bookings, the first of which was to have been Emma Bunting, has been brought about. A. B. Morrison is the manager.

HOW DOCTORS TREAT COLDS AND THE FLU

First Step in Treatment Is a Brisk Purgative With Calotabs, the Purified and Refined Calomel Tablets That Are Nausealess, Safe and Sure.

Doctors have found by experience that no medicine for colds and influenza can be depended upon for full effectiveness unless the liver is made thoroughly active. That is why the first step in the treatment is the new, nausealess calomel tablet called Calotabs, which are free from the sickening and weakening effects of the old style calomel. Doctors also point out the fact that an active liver may go a long way toward preventing influenza and is one of the most important factors in enabling the patient to successfully withstand an attack and ward off pneumonia.

One Calotab on the tongue at bed time, with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating, pleasure or work. Next morning your cold has vanished, your liver is active, your system is purified, and you are feeling fine, with a hearty appetite for breakfast. Druggists sell Calotabs only in original sealed packages, price thirty-five cents. Your money will be cheerfully refunded if you do not find them

Armed soldiers occupied the Mansion house and a search followed. Hotels and private houses were raided and shots were fired. One soldier is reported to have been wounded.

Want to Feel Just Right?

Take an NR Tonight

JUST TRY IT AND SEE how much better you feel in the morning. That "lousy" headache, tired, don't-know-what's-the-matter feeling will be gone—you'll feel fine.

TROUBLE IS, your system is clogged with a lot of impurities that your over-worked digestive and eliminative organs can't get rid of. Pills, oil, salts, calomel and ordinary laxatives, cathartics and purges only force the bowels and prod the liver.

Nature's Remedy (NR Tablets) acts on the stomach, liver, bowels and even kidneys, not forcing, but toning and strengthening these organs. The result is prompt relief and real, lasting benefit. Make the test. Nature's Remedy will act promptly, thoroughly, yet so mildly, so gently, that you will think nature herself has come to the rescue and is doing the work.

And oh, what relief! You'll be surprised to find how much better you feel—brighter, better every way.

If habitually or occasionally constipated, take one NR Tablet each night for a week. Then you'll feel better and more energetic every day. Just an occasional NR Tablet after that will be sufficient to keep your system in good condition—keep you feeling your best.

FEARS BURGLARS; FIRES AT COPS

While Patrolmen Malone and Hillburn, accompanied by Sgt. Adams, were chasing a negro through a yard near Olive avenue and Latham street early Saturday morning, they were fired on by a woman who thought they were burglars.

A bullet nearly struck Patrolman Malone, the officers say. Suspicion became attached to a negro carrying a sack on his back, who was walking north on Latham street. The officers commanded the negro to halt. Instead he dropped the sack and a lantern he was also carrying, and fled. The police gave chase, and the woman, whose name police did not ascertain, heard the commotion as the race proceeded through her yard. She fired several shots. The sack was found to contain a quantity of grapes.
